At his press conference today, Acting Secretary Webb made the following statement:

AID TO SOUTHEAST ASIA

A special survey mission, headed by R. Allen Griffin, has just returned from Southeast Asia and reported on economic and technical assistance needed in that area. Its over-all recommendations for the area are modest and total in the neighborhood of \$60 million. The Department is working on plans to implement that program at once.

Secretary Acheson on Monday in Paris cited the urgency of the situation applying in the associated states of Viet-Nam, Laos and Cambodia. The Department is working jointly with ECA to implement the economic and technical assistance recommendations for Indochina as well as the other states of Southeast Asia and anticipates that this program will get underway in the immediate future.

Military assistance for Southeast Asia is being worked out by the Department of Defense in cooperation with the Department of State, and the details will not be made public for security reasons.

Military assistance needs will be met from the President's emergency fund of \$75 million provided under MDAP for the general area of China.

Economic assistance needs will be met from the ECA China Aid funds, part of which both Houses of Congress have indicated will be made available for the general area of China. Final legislative action is still pending on this authorization but is expected to be completed within the next week.
